Dear Mr. Hussain Rasheed and Organizing Members,

I would like to thank all of you and the team of former RAF personnel, who served at Gan B.F.P.O. 180, for inviting me to join the 34th Anniversary of British Forces withdrawal, from Royal Air Force Gan, and to take part in that special celebration to mark the 1st reunion of RAF Gan Veterans in Addu Atoll.

In fact, it will be a pleasure to share my experiences, that I gathered as a 16 year old boy when started my career by serving to British Government on Royal Air Force Gan, for a period of 15 years, to the Veterans in the Reunion Celebration. I am sure in sharing of my memories of Gan I have lot to say about, as that happened to be my school to get trained in every field of life, in which lots of emotions, feelings, memories, unforgettable lessons, career building directions to make me what I am today was attached, and that will be very interesting to the Veterans to hear about, as I believe that WE the entire Maldives benefited from Royal Air Force presence at that time in Addu and was contributed to pursue the economic future of Maldives, also it will be good to make it as lessons, for the youngsters of today, that can be utilized as guidance or encouragement on their journey of life.

It is very unfortunate that I have to say sorry, as I will not be able to attend this anniversary celebration at Gan this evening, because I have a confirmed engagement to take part that is unavoidable. Hence, please accept my apology and mention my regrets to all the Veterans plus organizing members, and thank all of them on my behalf for inviting me to this reunion gathering.

I hope the reunion of RAF Gan Veterans in Addu Atoll, will continue celebrating during the years ahead and look forward to join next time.

Thank you with best regards,

Mohamed Salih
